

The packing benches shown on the following two pages are pre-configured to include the most popular and versatile styles of packing benches we offer. To design a custom bench to suit your exact needs, see pages 88-89.

Easy-Order packing benches include technical panel legs, and are 33 1/2" high. Optional Nexus System packing bench combinations are 48" high.

How to order an Easy-Order Packing Bench

1. **Select Easy-Order packing bench configuration.**
2. **Select worksurface style.**
LTS = Lista Top
GLS = Galvanized steel
BTS = Butcher block
 All worksurfaces have a standard square edge and are 30" deep.
3. **Select worksurface size.**
4830 = 48" long x 30" deep
6030 = 60" long x 30" deep
7230 = 72" long x 30" deep
4. **Select paint color.** For color chart, see back cover.

How to order an optional Easy-Order Nexus System Packing Bench Combination

1. **Select Easy-Order Nexus System configuration.**
2. **Select system length** (length must correspond to worksurface length as shown below).
42 = for 48" long worksurface
48 = for 60" long worksurface
60 = for 72" long worksurface
4. **Select paint color.** For color chart, see back cover.

EXAMPLE: to order a PS6200 packing bench with a 72" long butcher block worksurface and a matching Nexus System combination with Bright Blue paint, the bench part number would be **PS6200-BTS7230BB**, and the Nexus System part number would be **NXC/SM48-PB01-60BB**.
